

TIME IS MONEY

Want More of It? That's Easy!

HHP DID THE RESEARCH!

Out of all the repair shops surveyed, **bottom line profitability** is the **biggest concern** for 2018.

**Did You Know The Average Repair Shop Spends
\$31,200-\$62,400 Each Year Searching For Parts?**

We surveyed over 500 repair shops nationwide to determine the true cost of finding parts.
